

CHELMSFORD AMATEUR RADIO SOCIETY

Newsletter Number 107

December, 1974

Next Meeting

Will be held on Tuesday 3rd December, at Marconi College, Arbour Lane at 7.30p.m. Major A.J. Lister, C.Eng., A.F.R.Ae.S. a member of the Numismatic Society, will just scratch the surface of this vast subject by giving a talk on "Early Celtic Coins"

Next Committee Meeting

Will be early this month at "The Wheatsheaf", New Street, Chelmsford. At 7.30p.m. 11th December.

Informal Meeting

"The Endeavour" corner of Arbour Lane and Springfield Road, on Tuesday 17th December at 8.00p.m. onwards. It maybe the upstairs room but this will be clarified at the next club meeting.

You will have no doubt noticed that the above dates form a pattern. The Committee decided to stick to a format and all you have to remember is the week and the day.

1st Week - Club Meeting (Tues)  
2nd Week - Committee Meeting (Weds)  
3rd Week - Informal Meeting (Tues)

This Month Raffle

Firstly I would like to thank Tony Dix, G51X., who has decided to stand down as (Raffle C.C.) for all the effort and time he has put into this venture, the person to see this month for raffle tickets is Bernard Reichman, G6RM. So please continue to give it your support. The prizes are worth having and it helps to swell the club funds.

Club Project

It has been decided to put forward a project "At Digital Counter" to count upto at least 144MHz, with a 6 or 8 Digit Readout, with boards already made and bulk buying of the other components, who is interested?

Well, sorry the Newsletter is short this month not much news!
